

**We can
fix this!**

Who we are?

TDH Electric Works is full service company that provides Operations and Maintenance "O&M" for EV charging stations post installation. We have over 5 years of experience in EV project development, management, government contracting, and community engagement. Our team includes licensed General and Electrical Contractors. We are SB/DBE certified. In addition, we operate an Incubator to train EVCS technicians.

We help operators maintain the highest levels of **EVCS Reliability**

- Network Monitoring
- Remote Troubleshooting
- PM and SLA Agreements
- Repairs and Replacements
- Retrofits and Upgrades
